There is no need for transfers. With the fare of \$1.75, all riders can enjoy 90 minutes of unrestricted bus use-and ride, any bus, in any direction.

Do I need exact change?

Yes. For a ziptrip 90-Minute or All-Day, you will need exact change.

Can I use tokens?

Yes, the GBT will still sell tokens at the Bridgeport Bus Terminal for \$1.75 each.

Can I use the ziptrip to transfer to a Wheels, Milford Transit, CTTransit, Valley Transit or HART bus?

Yes, the GBT ziptrip passes are accepted when transferring from a GBT bus. On your return trip, you will need to pay the fares required by the other systems.

Can I share my ziptrip with someone else?

Don't be silly. All ziptrip passes are non-transferable and can only be used by the person who buys it. Also, each ziptrip has a "pass-back" feature that prevents it from being used by other riders.

Who is eligible for half-fare ziptrip passes?

People aged 65 and over, people with disabilities and holders of a valid Medicare Card, are allowed to use our services for half-fare with proper I.D. Proper I.D. for elderly and disabled persons is the Connecticut Elderly or

Disabled Identification Card for Reduced Fares on State Subsidized Public Transportation Services. Applications for this card are [available here](#) or by calling 333-3031. No additional I.D. is required when showing a valid Medicare Card.

How Do I Use My Ziptrip?

Before you pay your fare, tell your driver which pass you would like.

Ziptrip 90-Minute and Ziptrip 1-Day

When you board the bus and before you pay your fare, tell the driver that you would like a ziptrip 90-minute or 1-Day and put the appropriate fare into the fare box. The driver will provide you with a pass that can be used over and over for its duration.

Ziptrip Passes with Longer Durations

The ziptrip 7 day, 31 day and Youth passes may be purchased through the mail, at locations listed on board, or at ziptrip outlets through the service area. Insert your ziptrip pass into the fare box when boarding to activate it. The pass will remain valid from your first use through its duration - just swipe it through the fare box every time you board.
