

ADDENDUM NO. 1

Date: 09/17/2025

Greater Bridgeport Transit Authority

Bus Seat IFB-2025-08

To: All Proposers

1. **Q: Is any labor required as part of this IFB?**
A: No, GBT will handle the installation.

2. **Q: Please confirm the bus builds that these inserts are required for and quantity of buses for each**
A: New Flyer Excelsior SR Numbers:
 - SR2102 – 9 Buses
 - SR2100 – 6 Buses
 - SR2101 – 11 Buses
 - SR2099 – 9 Buses
 - Total = 35 Buses

3. **Q: Please confirm the color and indicate if any ADA logo is required. Also, please confirm if material required is plastic with drain holes.**
 - a. Color: 989 Blue.
 - b. Drain hole: Yes
 - c. ADA logo required on 7 inserts per bus.

4. **Q: When reviewing the bid documents, we noticed that there was not a specific form to fill out with the pricing information. We were wondering if one had been furnished; or as per item 2 in the Instructions to Proposers, prepare you a legible and neat document with all the pertinent information?**
A: No specific pricing form was issued. Per Item 2 of the Instructions to Proposers, please submit a neat, legible document with all required pricing and information.

5. **Q: Are you requesting fiberglass or replacement inserts?**
A: Fiberglass.

6. **Q: Are all 35 buses in the fleet identical from a seating perspective?**
A: No.

7. **Q:** Who is the OEM manufacturer of the Seats? (American Seating, USSC, etc)
A: American Seating
8. **Q:** What line of seats? (Gemini, Insight, Aries, etc)
A: Insight
9. **Q:** How many inserts per bus?
A: We have 15 thirty-five-foot buses and 20 forty-foot buses.
a. 35' buses – Total of 32 inserts: 2 longitudinal fixed, 7 flip up, 23 transverse fixed
b. 40' buses – Total of 40 inserts: 2 longitudinal fixed, 7 flip up, 31 transverse fixed
c. **Are they all the same? No. See a and b above.**
d. **Different configuration for ADA? Yes. The 7 ADA seats per bus are longitudinally mounted flip up seats and the seat back inserts will have a yellow wheelchair symbol on them.**
10. **Q:** What material is desired?
A: Fiberglass, however we would also consider hard plastic or other solid material.
11. **Q:** IS GBTA considering a refurbishment project or looking to procure all new inserts?
A: We are looking to procure all new seat inserts to replace the existing fabric ones.
12. **Q:** What is the desired timeframe for completion of the project?
A: Within 6 months.

This addendum must be acknowledged in the proposer's submission.
